

Apex (Guj.) Plastochem
Pvt. Ltd.

Manufacturers of
**BLOW MOULDED BOTTLES,
JARS, JERRYCANS ETC.**

An ISO 9001:2008 Certified Company.

// Company Profile

We have been providing blow & injection moulded packaging solutions to many reputable companies across Gujarat since our inception in 1996.

Set up and run by experienced personnel, we have established ourselves in the packaging industry and have served many government and private organizations over the last two decades.

Ours is an ISO 9001:2008 certified manufacturing unit, consisting of six blow moulding machines.

At Apex, we strive to provide quick and prompt service without any compromise in quality. Our manufacturing environment is based on ISO standard procedure and we comply accordingly in each and every aspect.

We take utmost care to provide excellent finished products with consistent product quality as customer satisfaction is paramount for us.

Here, we also provide excellent post sale support if and when required.
